

# Success in a constantly changing environment : Are You an Effective Leader?

**Presented by:** Innovative Leadership Solutions, LLC  
For the Benefit of Wellness Connection of the Dayton Region

Most leaders do not have the privilege of getting clear information on how they appear to others, or how they affect their employees or productivity. This workshop gives you the opportunity to step back, look at your habits, choose consciously, and start creating a new culture for yourself and your employees. We will offer you insights on how to lead, how to manage change, and be successful in this economy.

## Benefits:

- Learn how to improve your critical thinking skills.
- Learn how to evaluate your leadership & management decisions.
- Utilize the tools presented at the workshop to efficiently implement changes in your organization.
